

## Draw Inner 4

**L.O. - To draw angles using the inner scale to the degree**

1) Draw the angles using the inner scale.

- |                                                                                           |                                                                                           |                                                                                            |                                                                                             |
|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| a)  34°  | b)  62°  | c)  25°  | d)  43°  |
| e)  87°  | f)  76°  | g)  111° | h)  167° |
| i)  136° | j)  142° | k)  159° | l)  177° |

2) Draw an angle, without measuring, and then estimate with a friend. Measure and who gets closest?
